PROFILE

Highly analytical professional specializing in Artificial Intelligence & Data Science, eager to apply strong foundational knowledge to solve real-world challenges. Proficient in Python and SQL, with hands-on experience in extracting insights from data and developing intelligent solutions through academic projects. Passionate about innovation, logical thinking, and collaborative teamwork, committed to continuous growth in a dynamic tech environment.

EDUCATION

B.Tech (Artificial Intelligence and Data Science) 2022 – 2026
Vasireddy Venkatadri Institute of Technology
current cgpa: 8.18/10

Intermediate(MPC) 2020 – 2022
Sri Chaitanya Junior College
percentage : 93%

SSC Board (class 10) 2020
Viswasanthi(EM) High School
percentage : 93%

PROFESSIONAL EXPERIENCE

Data Engineering Virtual Internship 01/2024 – 03/2024

- Completed AWS Training and Certification, gaining foundational knowledge of cloud computing, AWS services, and cloud architecture best practices.
- Gained hands-on experience in deploying, managing, and optimizing workloads on AWS with focus on scalability, security, and efficiency.
- Developed skills in automation, monitoring, and cloud-based data handling, aligned with industry best practices.

SKILLS

- Programming languages : python
- Databases : SQL
- Web development : HTML
- Soft skills : Adaptability, Good Communication, Analytical Thinking, Persistence, Problem solving skills

PROJECTS

Automated Insurance Claim 12/2024 – 05/2025

- Contributed to building a Flask-based backend with secure login and REST APIs for claim processing.
- Assisted in integrating AI-powered fraud detection using SerpApi and Google Gemini.
- Designed and maintained database models with Flask-SQLAlchemy for claim tracking.
- Helped automate email alerts for user verification and claim updates.
- Improved accuracy by reducing false claims by around 30%.

CERTIFICATES

- NPTEL certificate in Cloud Computing
- Data Engineering Virtual Internship by AWS
- NPTEL certificate in Programming in Java
- Infosys Spring Board certificate in Python

LANGUAGES

Telugu — Native/Bilingual

English — Proficient

Hindi — Basic
